Not sure what time your Friday meeting is...but would try for the governor soon after her meeting with you all (to try to avoid kicking the call over to next week). The three hours may be helpful in that regard!

That would mean have the call with the governor next week. That's assuming we get in to see Gina this week, which I still don't know.

Sounds great. I'll press for that.

Mark – it would be best if this could be after the meeting we have with Gina on this – which I am trying to get set up for this Friday.

Please call if you would like to discuss.

Thanks - Cynthia

Hey, R9 and Ken.

Gov. Brown is looking to have a call with the Administrator. Topic is their Water Fix plan. As the comment period is closing, the Governor wants the Administrator to understand the state's policy rationale.

Stay tuned...but if folks can start readying relevant points for the call. Liel and I will let you know when it gets scheduled for.

Thanks,
Mark
